Federal Communication Commission Interference Statement

This equipment has been tested and found to comply with the limits for a Class B digital device.

Pursuant to Part 15 of the FCC Rules, these limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates usage and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution: Any change or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

IMPORTANT NOTE:

FCC Radiation Exposure Statement:

1. This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. End users must follow the specific operating instructions for satisfying RF exposure compliance.
2. This transmitter must not be colocated or operating in conjunction with any other antenna or transmitter.

Bluetooth Keyboard for Galaxy Tab

Folding Leather protective case

Packing Contents:

1. PU Leather Case w/Keyboard
2. USB Power Charging Cable
3. User Guide

1.0 Product Features:

1. Built-in Wireless Bluetooth 2.0
2. Silicone keyboard
3. Stylish protective PU leather Case designed for GALAXY Tab display stand for easy viewing
4. Rechargeable lithium battery lasts for approximately 45 Hours per charge
5. Special home screen key for one-touch access to variety of applications
6. Light weight, quiet keystrokes, dust proof & spill-proof
7. Energy saving keyboard sleep mode
